Izviješće o radu HKSa 2024. godine

Hrvatski konjički savez
Croatian Equestrian Federation

Osnovni dokumenti

The FEI four values (Horse First - Perform as One - Fair and Equal - For today and tomorrow) are reflected in OUR STRATEGIC OBJECTIVES (as per the Presidential Programms 2014-2018, 2018-2022 and 2022-2026) and symbolise our commitment to the unique attributes of the equestrian world and our responsibility to nurture and encourage best practice and good horsemanship at all times and all over the world. Best practice also comes in the form of good governance and as a service organisation, we are extremely committed to transparent and proactive dialog with all our member National Federations for all matters relating to the decision making proces

FEI Equine Welfare Strategy

Welfare vision:
A Good Life for Horses

To acknowledge and respect the natural needs of horses within the context of international equestrian sports

Welfare mission:
We serve as the guardians of FEI horse welfare with the overall mission to lead, drive and develop the highest standards of equine welfare in equestrian sport globally.

We do this by formulating and implementing rules, guidelines, educational programs and other initiatives, and if necessary, applying sanctions to ensure the standards we expect.

The graphic features a background image of a person in equestrian attire leading a horse. The text is overlaid in white and yellow, providing a clear summary of the FEI's welfare strategy and mission.
